### Introduction

I have now largely completed my audit in line with my Detailed Audit Plan 2024 issued July 2024.

This Audit of Accounts Report summarises the main findings from my audit of your 2023-24 accounts. My team have already discussed these issues with the Chief Finance Officer for the Police and Crime Commissioner and the Director of Finance and Resources for the Chief Constable and their finance teams.

I am very grateful to your officers for their support in undertaking this audit.

**Adrian Crompton** Auditor General for Wales

### Your audit at a glance

### **Audit opinions**

We are proposing to give an unqualified opinion on the accounts.

We have nothing to report under the other sections of my report, ie those relating to going concern; other information; other matters; or matters I report by exception.

### Significant issues

There are no significant issues to report.

### **Materiality**

Materiality

Police and Crime Commissioner	£2.647 million
Chief Constable	£2.647 million
Police Pension Fund	£1.121 million

Reporting threshold ('trivial')

Police and Crime Commissioner	£132,000
Chief Constable	£132,000
Police Pension Fund	£ 56,000

#### Group:

We will also perform an audit of the Police and Crime Commissioner Group.

### Financial statements' materiality

### Materiality £2.647 million (Police and Crime Commissioner and Chief Constable)

**Materiality £1.121 million (Police and Pension Fund)** 

My aim is to identify and correct material misstatements, ie those that might otherwise cause the user of the accounts to be misled.

For the basis of the materiality, I have used the lower of the Police and Crime Commissioner Group gross expenditure and the Chief Constable gross expenditure.

Materiality is calculated using:

- 2023-24 Chief Constable actual gross expenditure of £264.799 million
- Materiality percentage of 1%

A separate materiality is applied to the Police Pension Fund, and is calculated using:

- 2023-24 Police Pension Fund actual gross expenditure of £56.066 million
- Materiality percentage of 2% (to reflect the smaller body)

I apply the materiality percentage to gross expenditure to calculate materiality.

I will report to you any misstatements above £132,000 (Police and Crime Commissioner and Chief Constable) and £56,000 (Police Pension Fund), calculated as 5% of materiality (called the 'trivial level').

### Areas of specific interest

There are some areas of the accounts that may be of more importance to the user of the accounts. We set lower materiality levels for these as follows:

- Senior Officer remuneration £1,000
- Related party disclosures £10,000 (individuals), £110,000 (other bodies)

### Ethical compliance

### Compliance with ethical standards

#### We believe that:

- we have complied with the ethical standards we are required to follow in carrying out our work;
- we have remained independent of yourselves;
- our objectivity has not been comprised; and
- we have no relationships that could undermine our independence or objectivity.

### Proposed audit opinion

### **Audit opinion**

We intend to issue an unqualified audit opinion on this year's accounts once you have provided us with a Letter of Representation (see below).

Our proposed audit reports for the Police and Crime Commissioner and the Chief Constable are set out in **Appendix 1 and 2**.

### Letter of representation

A Letter of Representation is a formal letter in which you confirm to us the accuracy and completeness of information provided to us during the audit. Some of this information is specified as being necessary by auditing standards; other information may relate specifically to your audit.

The letters we are requesting you to sign are included in Appendix 3 and 4.

### Issues arising during the audit

#### **Misstatements**

A misstatement arises where information in the accounts is not in accordance with accounting standards.

### **Uncorrected misstatements**

There were no uncorrected misstatements that we need to report to you.

#### **Corrected misstatements**

During our audit, we identified misstatements that have been corrected by management, but which we consider should be drawn to your attention.

These are set out in Appendix 5.

### Other significant issues

In the addition to misstatements identified during the audit we also report other significant issues to you.

There were no such issues identified during the audit.

### Recommendations

We intend to hold a post project learning exercise with key staff to identify an action plan to further improve the accounts production and audit process for future years.

### Appendix 1

### Proposed audit report of the Auditor General to the Police and Crime Commissioner for North Wales

The report of the Auditor General for Wales to the North Wales Police and Crime Commissioner

#### **Opinion on financial statements**

I have audited the financial statements of:

- Police and Crime Commissioner for North Wales:
- Police and Crime Commissioner for North Wales Group which comprise the Police and Crime Commissioner for North Wales and the Chief Constable of North Wales Police; and
- North Wales Police Pension Fund

for the year ended 31 March 2024 under the Public Audit (Wales) Act 2004.

The Police and Crime Commissioner for North Wales financial statements comprise the Expenditure and Funding Analysis, the Comprehensive Income and Expenditure Statement, the Balance Sheet, the Movement in Reserves Statement, the Cash Flow Statement and the related notes, including the material accounting policies.

The Police and Crime Commissioner for North Wales Group financial statements comprise the Group Expenditure and Funding Analysis, the Group Movement in Reserves Statement, the Group Comprehensive Income and Expenditure Statement, the Group Balance Sheet, the Group Movement in Reserves Statement, the Group Cash Flow Statement and the related notes, including the material accounting policies.

The North Wales Police Pension Fund financial statements comprise the Fund Account and Net Assets Statement.

The financial reporting framework that has been applied in their preparation is applicable law and UK adopted international accounting standards as interpreted and adapted by the Code of Practice on Local Authority Accounting in the United Kingdom 2023-24.

In my opinion, in all material respects, the financial statements:

- give a true and fair view of the financial position of the Police and Crime
  Commissioner for North Wales, the Police and Crime Commissioner for North Wales
  Group, and the North Wales Police Pension Fund as at 31 March 2024 and of its
  income and expenditure for the year then ended; and
- have been properly prepared in accordance with legislative requirements and UK
  adopted international accounting standards as interpreted and adapted by the Code
  of Practice on Local Authority Accounting in the United Kingdom 2023-24.

#### **Basis for opinion**

I conducted my audit in accordance with applicable law and International Standards on Auditing in the UK (ISAs (UK)) and Practice Note 10 'Audit of Financial Statements of Public Sector Entities in the United Kingdom'. My responsibilities under those standards are further described in the auditor's responsibilities for the audit of the financial statements section of my report.

My staff and I are independent of the Police and Crime Commissioner for North Wales Police and the Police and Crime Commissioner for North Wales Group and the North Wales Police Pension Fund in accordance with the ethical requirements that are relevant to my audit of the financial statements in the UK including the Financial Reporting Council's Ethical Standard, and I have fulfilled my other ethical responsibilities in accordance with these requirements. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my opinion.

#### Conclusions relating to going concern

In auditing the financial statements, I have concluded that the use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work I have performed, I have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the Police and Crime Commissioner for North Wales, the Police and Crime Commissioner for North Wales' Group and the North Wales Police Pension Fund's ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from when the financial statements are authorised for issue.

My responsibilities and the responsibilities of the responsible financial officer with respect to going concern are described in the relevant sections of this report.

#### Other Information

The other information comprises the information included in the annual report other than the financial statements and my auditor's report thereon. The Responsible Financial Officer is responsible for the other information contained within the annual report. My opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in my report, I do not express any form of assurance conclusion thereon.

My responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or knowledge obtained in the course of the audit, or otherwise appears to be materially misstated. If I identify such material inconsistencies or apparent material misstatements, I am required to determine whether this gives rise to a material misstatement in the financial statements themselves. If, based on the work I have performed, I conclude that there is a material misstatement of this other information, I am required to report that fact.

I have nothing to report in this regard.

#### **Opinion on other matters**

In my opinion, based on the work undertaken in the course of my audit:

- the information contained in the Narrative Report for the financial year for which the financial statements are prepared is consistent with the financial statements and is in accordance with the Code of Practice on Local Authority Accounting in the United Kingdom 2023-24.
- The information given in the Annual Governance Statement for the financial year for which the financial statements are prepared is consistent with the financial statements and is in accordance with guidance.

#### Matters on which I report by exception

In the light of the knowledge and understanding of the Police and Crime Commissioner for North Wales, the Police and Crime Commissioner for North Wales Group and the North Wales Police Pension Fund and its environment obtained in the course of the audit, I have not identified material misstatements in the Narrative Report or the Annual Governance Statement.

I have nothing to report in respect of the following matters, which I report to you, if, in my opinion:

- I have not received all the information and explanations I require for my audit;
- adequate accounting records have not been kept, or returns adequate for my audit have not been received from branches not visited by my team; and
- the financial statements are not in agreement with the accounting records and returns.

### Responsibilities of the responsible financial officer for the financial statements

As explained more fully in the Statement of Responsibilities for the Statement of Accounts, the responsible financial officer is responsible for:

- the preparation of the statement of accounts, including the Police and Crime Commissioner of North Wales' Group financial statements and the North Wales Police Pension Fund, which give a true and fair view and comply with proper practices;
- maintain proper accounting records;
- internal controls as the responsible financial officer determines is necessary to enable
  the preparation of statements of accounts that are free from material misstatement,
  whether due to fraud or error; and
- assessing the Police and Crime Commissioner for North Wales, the Police and Crime Commissioner for North Wales Group, and the North Wales Police Pension Fund's ability to continue as a going concern, disclosing as applicable, matters related to going concern and using the going concern basis of accounting unless the responsible financial officer anticipates that the services provided by the Police and Crime Commissioner for North Wales, the Police and Crime Commissioner for North

Wales Group, the North Wales Police Pension Fund will not continue to be provided in the future.

#### Auditor's responsibilities for the audit of the financial statements

My responsibility is to audit the financial statements in accordance with the Public Audit (Wales) Act 2004.

My objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Irregularities, including fraud, are instances of non-compliance with laws and regulations. I design procedures in line with my responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud.

My procedures included the following:

- Enquiring of management, the Police and Crime Commissioner for North Wales, the Police and Crime Commissioner for North Wales Group's head of internal audit and those charged with governance, including obtaining and reviewing supporting documentation relating to the Police and Crime Commissioner for North Wales, the Police and Crime Commissioner for North Wales Group, and the North Wales Police Pension Fund's policies and procedures concerned with:
  - identifying, evaluating and complying with laws and regulations and whether they were aware of any instances of non-compliance;
  - detecting and responding to the risks of fraud and whether they have knowledge of any actual, suspected or alleged fraud; and
  - the internal controls established to mitigate risks related to fraud or noncompliance with laws and regulations.
- Considering as an audit team how and where fraud might occur in the financial statements and any potential indicators of fraud. As part of this discussion, I identified potential for fraud by posting of unusual journals;
- Obtaining an understanding of the Police and Crime Commissioner for North Wales, the Police and Crime Commissioner for North Wales Group, and the North Wales Police Pension Fund's framework of authority as well as other legal and regulatory frameworks that the Police and Crime Commissioner for North Wales, the Police and Crime Commissioner for North Wales Group operates in, focusing on those laws and regulations that had a direct effect on the financial statements or that had a fundamental effect on the operations of the Police and Crime Commissioner for North Wales, the Police and Crime Commissioner for North Wales Group and the North Wales Police Pension Fund; and
- Obtaining an understanding of related party relationships.

In addition to the above, my procedures to respond to identified risks included the following:

- reviewing the financial statement disclosures and testing to supporting documentation to assess compliance with relevant laws and regulations discussed above:
- enquiring of management, the Joint Audit Committee and legal advisors about actual and potential litigation and claims;
- reading minutes of meetings of those charged with governance; and
- in addressing the risk of fraud through management override of controls, testing
  the appropriateness of journal entries and other adjustments; assessing whether
  the judgements made in making accounting estimates are indicative of a potential
  bias; and evaluating the business rationale of any significant transactions that are
  unusual or outside the normal course of business.

I also communicated relevant identified laws and regulations and potential fraud risks to all audit team members and remained alert to any indications of fraud or non-compliance with laws and regulations throughout the audit.

The extent to which my procedures are capable of detecting irregularities, including fraud, is affected by the inherent difficulty in detecting irregularities, the effectiveness of the Police and Crime Commissioner for North Wales, the Police and Crime Commissioner for North Wales Group, and the North Wales Police Pension Fund's controls, and the nature, timing and extent of the audit procedures performed.

A further description of the auditor's responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website <a href="https://www.frc.org.uk/auditorsresponsibilities">www.frc.org.uk/auditorsresponsibilities</a>. This description forms part of my auditor's report.

#### Other auditor's responsibilities

I communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that I identify during my audit.

#### Certificate of completion of audit

I certify that I have completed the audit of the accounts of the Police and Crime Commissioner for North Wales, the Police and Crime Commissioner for North Wales Group and the North Wales Police Pension Fund in accordance with the requirements of the Public Audit (Wales) Act 2004 and the Auditor General for Wales' Code of Audit Practice.

### The report of the Auditor General for Wales to the Chief Constable of North Wales Police

### **Opinion on financial statements**

I have audited the financial statements of:

- Chief Constable of North Wales Police; and
- North Wales Police Pension Fund

for the year ended 31 March 2024 under the Public Audit (Wales) Act 2004.

The Chief Constable of North Wales' financial statements comprise the Expenditure and Funding Analysis, the Comprehensive Income and Expenditure Statement, the Balance Sheet, the Movement in Reserves Statement, the Cash Flow Statement and the related notes, including the material accounting policies.

The North Wales Police Pension Fund financial statements comprise the Fund Account and Net Assets Statement.

The financial reporting framework that has been applied in their preparation is applicable law and UK adopted international accounting standards as interpreted and adapted by the Code of Practice on Local Authority Accounting in the United Kingdom 2023-24.

In my opinion, in all material respects, the financial statements:

- give a true and fair view of the financial position of the Chief Constable of North Wales, and the North Wales Police Pension Fund as at 31 March 2024 and of its income and expenditure for the year then ended; and
- have been properly prepared in accordance with legislative requirements and UK
  adopted international accounting standards as interpreted and adapted by the Code
  of Practice on Local Authority Accounting in the United Kingdom 2023-24.

#### **Basis for opinion**

I conducted my audit in accordance with applicable law and International Standards on Auditing in the UK (ISAs (UK)) and Practice Note 10 'Audit of Financial Statements of Public Sector Entities in the United Kingdom'. My responsibilities under those standards are further described in the auditor's responsibilities for the audit of the financial statements section of my report.

My staff and I are independent of the Chief Constable of North Wales Police and the North Wales Police Pension Fund in accordance with the ethical requirements that are relevant to my audit of the financial statements in the UK including the Financial Reporting Council's Ethical Standard, and I have fulfilled my other ethical responsibilities

in accordance with these requirements. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my opinion.

#### Conclusions relating to going concern

In auditing the financial statements, I have concluded that the use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work I have performed, I have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the Chief Constable of North Wales Police and the North Wales Police Pension Fund's ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from when the financial statements are authorised for issue.

My responsibilities and the responsibilities of the responsible financial officer with respect to going concern are described in the relevant sections of this report.

#### Other Information

The other information comprises the information included in the annual report other than the financial statements and my auditor's report thereon. The Responsible Financial Officer is responsible for the other information contained within the annual report. My opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in my report, I do not express any form of assurance conclusion thereon.

My responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or knowledge obtained in the course of the audit, or otherwise appears to be materially misstated. If I identify such material inconsistencies or apparent material misstatements, I am required to determine whether this gives rise to a material misstatement in the financial statements themselves. If, based on the work I have performed, I conclude that there is a material misstatement of this other information, I am required to report that fact.

I have nothing to report in this regard.

#### **Opinion on other matters**

In my opinion, based on the work undertaken in the course of my audit:

- the information contained in the Narrative Report for the financial year for which the financial statements are prepared is consistent with the financial statements and is in accordance with the Code of Practice on Local Authority Accounting in the United Kingdom 2023-24; and
- The information given in the Annual Governance Statement for the financial year for which the financial statements are prepared is consistent with the financial statements and is in accordance with guidance.

#### Matters on which I report by exception

In the light of the knowledge and understanding of the Chief Constable of North Wales Police and the North Wales Police Pension Fund and its environment obtained in the course of the audit, I have not identified material misstatements in the Narrative Report or the Annual Governance Statement.

I have nothing to report in respect of the following matters, which I report to you, if, in my opinion:

- I have not received all the information and explanations I require for my audit;
- adequate accounting records have not been kept, or returns adequate for my audit have not been received from branches not visited by my team;
- the financial statements are not in agreement with the accounting records and returns.

### Responsibilities of the responsible financial officer for the financial statements

As explained more fully in the Statement of Responsibilities for the Statement of Accounts, the responsible financial officer is responsible for:

- the preparation of the statement of accounts, which give a true and fair view and comply with proper practices;
- maintain proper accounting records;
- internal controls as the responsible financial officer determines is necessary to enable the preparation of statements of accounts that are free from material misstatement, whether due to fraud or error; and
- assessing the Chief Constable of North Wales Police and the North Wales Police
  Pension Fund's ability to continue as a going concern, disclosing as applicable,
  matters related to going concern and using the going concern basis of accounting
  unless the responsible financial officer anticipates that the services provided by the
  Chief Constable of North Wales Police and the North Wales Police Pension Fund will
  not continue to be provided in the future.

### Auditor's responsibilities for the audit of the financial statements

My responsibility is to audit the financial statements in accordance with the Public Audit (Wales) Act 2004.

My objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Page 19 of 32 - Audit of Accounts Report – Police and Crime Commissioner for North Wales and Chief Constable of North Wales Police

Irregularities, including fraud, are instances of non-compliance with laws and regulations. I design procedures in line with my responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud.

My procedures included the following:

- Enquiring of management, the Chief Constable of North Wales Police, the Chief Constable of North Wales Police's head of internal audit and those charged with governance, including obtaining and reviewing supporting documentation relating to the Chief Constable of North Wales Police and the North Wales Police Pension Fund policies and procedures concerned with:
  - identifying, evaluating and complying with laws and regulations and whether they were aware of any instances of non-compliance;
  - detecting and responding to the risks of fraud and whether they have knowledge of any actual, suspected or alleged fraud; and
  - the internal controls established to mitigate risks related to fraud or noncompliance with laws and regulations.
- Considering as an audit team how and where fraud might occur in the financial statements and any potential indicators of fraud. As part of this discussion, I identified potential for fraud by posting of unusual journals;
- Obtaining an understanding of the Chief Constable of North Wales Police and the North Wales Police Pension Fund's framework of authority as well as other legal and regulatory frameworks that the Chief Constable of North Wales Police and the North Wales Police Pension Fund operates in, focusing on those laws and regulations that had a direct effect on the financial statements or that had a fundamental effect on the operations of the Chief Constable of North Wales Police and the North Wales Police Pension Fund; and
- Obtaining an understanding of related party relationships.

In addition to the above, my procedures to respond to identified risks included the following:

- reviewing the financial statement disclosures and testing to supporting documentation to assess compliance with relevant laws and regulations discussed above;
- enquiring of management, the Joint Audit Committee and legal advisors about actual and potential litigation and claims;
- reading minutes of meetings of those charged with governance; and
- in addressing the risk of fraud through management override of controls, testing
  the appropriateness of journal entries and other adjustments; assessing whether
  the judgements made in making accounting estimates are indicative of a potential
  bias; and evaluating the business rationale of any significant transactions that are
  unusual or outside the normal course of business.

I also communicated relevant identified laws and regulations and potential fraud risks to all audit team members and remained alert to any indications of fraud or non-compliance with laws and regulations throughout the audit.

The extent to which my procedures are capable of detecting irregularities, including fraud, is affected by the inherent difficulty in detecting irregularities, the effectiveness of the Chief

Constable of North Wales Police and the North Wales Police Pension Fund's controls, and the nature, timing and extent of the audit procedures performed.

A further description of the auditor's responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website <a href="https://www.frc.org.uk/auditorsresponsibilities">www.frc.org.uk/auditorsresponsibilities</a>. This description forms part of my auditor's report.

#### Other auditor's responsibilities

I communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that I identify during my audit.

#### Certificate of completion of audit

I certify that I have completed the audit of the accounts of the Chief Constable of North Wales Police and the North Wales Police Pension Fund in accordance with the requirements of the Public Audit (Wales) Act 2004 and the Auditor General for Wales' Code of Audit Practice.

We subject our work to independent scrutiny by QAD\*, and our Chair acts as a link to our Board on audit quality. For more information see our <u>Audit Quality Report 2023</u>.
